## 2 Information About Your Order

Will you pick up your kit at the Factory or have it shipped?

Self Pick-up    Stewart Transportation    Other Shipping

Stewart Transportation is our recommended carrier for customers who want their kits shipped (888-737-4852). If you are using a different carrier, you will need to determine whether or not they will require your kit and boxes to be placed in a crate, if so, select the shipping crate option.

13600 Shipping crate (\$695)      16'L x 52" H x 6'6" W

When do you want your kit? (select either ASAP or enter your most convenient):

ASAP       Desired Date: \_\_\_\_\_

*Your kit comes with a Manufacturers Certificate of Origin (referred to as a COO or MSO). This is the titling document that records the manufacturer of the chassis/body. It is important that the information recorded on the front of the Certificate of Origin (owner's information) is correct and accurate. Please record this information (only required if different than section 1 above).*
